Please use the following Grant Criteria to rank the projects above from 1 through [# of projects]; (Ex. 1 = High Priority, 26 = Low Priority) DO NOT USE ANY NUMBER TWICE! - Every proposal listed must have a unique "whole number" rank (Do not rank Withdrawn Proposals)

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)?

Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities?

Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency? Is this proposal feasible and achievable with an 18-month grant performance period?

Please use the following Grant Criteria to rank the projects above from 1 through [# of projects ]; (Ex. 1 = High Priority, 26 = Low Priority, DO NOT USE ANY NUMBER TWICE! - Every proposal listed must have a unique "whole number" rank (Do not rank Withdrawn Proposals)

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)?

Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities?

Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency? Is this proposal feasible and achievable with an 18-month grant performance period?

Please use the following Grant Criteria to rank the projects above from 1 through [# of projects]; (Ex. 1 = High Priority, 26 = Low Priority) DO NOT USE ANY NUMBER TWICE! - Every proposal listed must have a unique "whole number" rank (Do not rank Withdrawn Proposals)

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)?

Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities?

Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency? Is this proposal feasible and achievable with an 18-month grant performance period?

Please use the following Grant Criteria to rank the projects above from 1 through [# of projects]; (Ex. 1 = High Priority, 26 = Low Priority) DO NOT USE ANY NUMBER TWICE! - Every proposal listed must have a unique "whole number" rank (Do not rank Withdrawn Proposals)

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)?

Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities?

Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency? Is this proposal feasible and achievable with an 18-month grant performance period?

Please use the following Grant Criteria to rank the projects above from 1 through [# of projects]; (Ex. 1 = High Priority, 26 = Low Priority) DO NOT USE ANY NUMBER TWICE! - Every proposal listed must have a unique "whole number" rank (Do not rank Withdrawn Proposals)

Does the proposal meet the priorities of the Nevada Commission on Homeland Security (NCHS)?

Does the proposal meet more than one priority of the NCHS?

Is the proposal regional, multi-regional, or statewide? Does the proposal involve multi-jurisdictional entities?

Will this proposal give an overall lasting contribution to the region and to the state?

Does this proposal support the Emergency Management Assistance Compact (EMAC), and is the equipment or overall proposal deployable nationwide in the event of an emergency? Is this proposal feasible and achievable with an 18-month grant performance period?
